

# Heart Attack

## Anthem Lights

Never put your love out on the line  
Never say yes to the right guy  
Never had trouble getting what you want  
Someone used to feel like your not enough

don't have to care  
So play 'em like a Ken doll  
Won't wash your hair  
Just em bounce like basketball

But I, wanna make you like a girl  
Paint your nails and wear high heels  
Yes, I want to treat you right  
Just give me your hand

I'll make me glow, but you cover up  
Won't let it show  
you keep puttin' your defences up  
like you don't wanna fall in love  
If you ever did that  
You think you'd have a heart attack  
You think you'd have a heart attack  
You think you'd have a heart attack

I never break a sweat for the other girls  
Then you come around, and changed my world  
All you have to do is be your self  
It's always alright just let me help

It's just not fair  
I hate to see you when your hurting  
I gasp for air  
together we'll be worth it

But I, wanna make you like a girl  
Paint your nails and wear perfume  
Yes, I want to treat you right girl  
Just give me your hand

I'll make me glow, but you cover up  
Won't let it show  
you keep puttin' your defences up  
like you don't wanna fall in love  
If you ever did that  
You think you'd have a heart attack  
You think you'd have a heart attack  
You think you'd have a heart attack

The feelings are lost in your lungs  
They're burning, you'd rather be numb  
O yes I'm the one to blame  
So scared you take off in a run  
I'm flying too close to the sun  
And you burst into flames

I'll make me glow, but you cover up  
Won't let it show

I'll make me glow, but you cover up  
Won't let it show  
you keep puttin' your defences up  
like you don't wanna fall in love  
If you ever did that  
You think you'd have a heart attack  
You think you'd have a heart attack  
You think you'd have a heart attack
