

If Only

Anthem Lights

I been wanting to call you
But I went to the movies instead
I couldn't go through
Another fight
Avoiding it lately
So many answers we can't find
We just let each other down
Down

You don't love me love me
Like you should
You don't know me know me
Like you could babe

When I thought knew you
Life was always better
Never coulda dreamt that it
Would fall apart this way
I hate to end this story
Cuz I don't want you lonely
But I don't think we have the time
To work this out
Before it gets too late
Fall together
Fall apart
Darker weather
On my heart
If only we wanted to stay
If only you'd say

If only

Baby I loved you
I thought that we would make through
I loved you
If I know
One thing
You'll be
Looking
For someone else's arms
You want a brand-new start

You don't love me love me
Like you should
You don't know me know me
Like you could babe

When I thought knew you
Life was always better
Never coulda dreamt that it
Would fall apart this way
I hate to end this story
Cuz I don't want you lonely
But I don't think we have the time
To work this out
Before it gets too late

Fall together
Fall apart
Darker weather
On my heart
If only we wanted to stay
If only you'd say
If only
