

Jireh

Anthem Lights

I'll never be more loved than I am right now
Wasn't holding You up
So there's nothing I can do to let You down
It doesn't take a trophy to make You proud
I'll never be more loved than I am right now

Going through a storm but I won't go down
I hear Your voice
Carried in the rhythm of the wind to call me out
You would cross an ocean so I wouldn't drown
You've never been closer than You are right now

You are Jireh, You are enough
Jireh, You are enough
And I will be content in every circumstance
You are Jireh, You are enough

Forever enough
Always enough
More than enough
Forever enough
Always enough
More than enough

I don't wanna forget how I feel right now
On the mountaintop
I can see so clear what it's all about
So stay by my side when the sun goes down
Don't wanna forget how I feel right now (Jireh)

Jireh, You are enough (You are enough)
Jireh, You are enough (so I will be)
And I will be content in every circumstance
Jireh, You are enough (He's always enough)

He's forever enough
Always enough
More than enough
Forever enough
Always enough
More than enough

I'm already loved
I'm already chosen
I know who I am (I know who I am)
I know what You've spoken (I know what You've spoken)
I'm already loved (I'm already loved)
More than I could imagine (More than I could imagine)
And that is enough, yeah

I'm already loved (I'm already loved)
I'm already chosen (I'm already chosen)
I know who I am (I know who I am)
I know what You've spoken (I know what You've spoken)
I'm already loved (I'm already loved)
More than I could imagine (More than I could imagine)
And that is enough, oh oh

Jireh, You are enough
Jireh, You are enough
And I will be content in every circumstance
You are Jireh, You are enough
