

# Let It Go

## Anthem Lights

The snow glows white on the mountain tonight  
Not a footprint to be seen  
A kingdom of isolation,  
And it looks like I'm the king

The wind is howling like this swirling storm inside  
Couldn't keep it in, heaven knows I tried

Don't let them in, don't let them see  
Be the good man you always have to be  
Conceal, don't feel, don't let them know  
Well, now they know

Let it go, let it go  
Can't hold it back anymore  
Let it go, let it go  
Turn away and slam the door  
I don't care  
What they're going to say  
Let the storm rage on  
The cold never bothered me anyway

It's funny how some distance  
Makes everything seem small  
And the fears that once controlled me  
Can't get to me at all

It's time to see what I can do  
To test the limits and break through  
No right, no wrong, no rules for me  
I'm free

Let it go, let it go  
I am one with the wind and sky  
Let it go, let it go  
You'll never see me cry  
Here I stand  
And here I'll stay  
Let the storm rage on...

Just a small town girl  
Living in a lonely world  
She took the midnight train goin' anywhere  
Just a city boy  
Born and raised in south Detroit  
He took the midnight train goin' anywhere

Let it go, let it go  
And I'll rise like the break of dawn  
Let it go, let it go  
That perfect man is gone (let it go)  
Here I stand  
In the light of day  
Let the storm rage on  
Don't stop believin'  
The cold never bothered me anyway
