

## Mirrors

## Anthem Lights

Aren't you somethin' to admire  
Cause your shine is somethin' like a mirror  
And I can't help but notice  
You reflect in this heart of mine  
If you ever feel alone and  
The glare makes me hard to find  
Just know that I'm always  
Parallel on the other side

Cause with your hand in my hand and a pocket full of soul  
I can tell you there's no place we couldn't go  
Just put your hand on the glass  
I'll be tryin' to pull you through  
You just gotta be strong

I don't wanna lose you now  
I'm lookin' right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Comin' back into you once I figured it out  
You were right here all along

It's like you're my mirror  
My mirror staring back at me  
I couldn't get any bigger  
With anyone else beside me  
And now it's clear as this promise  
That we're making  
Two reflections into one  
Cause it's like you're my mirror  
My mirror staring back at me, staring back at me

Aren't you somethin', an original  
Cause it doesn't seem really as simple  
And I can't help but stare, cause  
I see truth somewhere in your eyes  
I can't ever change without you  
You reflect me, I love that about you  
And if I could, I  
Would look at us all the time

Cause with your hand in my hand and a pocket full of soul  
I can tell you there's no place we wouldn't go  
Put your hand on the glass  
I'll be tryin' to pull you through  
You just gotta be strong

Cause I don't wanna lose you now  
I'm lookin' right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Comin' back into you once I figured it out  
You were right here all along

It's like you're my mirror  
My mirror staring back at me  
I couldn't get any bigger  
With anyone else beside me  
And now it's clear as this promise  
That we're making  
Two reflections into one  
Cause it's like you're my mirror  
My mirror staring back at me, staring back at me

I'm starting with the man in the mirror, oh  
I'm asking him to change his ways  
And no message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself and make a change  
And make a change

Cause I don't wanna lose you now  
I'm lookin' right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Comin' back into you once I figured it out  
You were right here all along

Oh, it's like you're my mirror  
My mirror staring back at me  
I couldn't get any bigger  
With anyone else beside me  
And now it's clear as this promise  
That we're making  
Two reflections into one  
Cause it's like you're my mirror  
My mirror staring back at me, staring back at me
