## **Mirrors**

## **Anthem Lights**

Aren't you somethin' to admire Cause your shine is somethin' like a mirror And I can't help but notice You reflect in this heart of mine If you ever feel alone and The glare makes me hard to find Just know that I'm always Parallel on the other side

Cause with your hand in my hand and a pocket full of soul I can tell you there's no place we couldn't go Just put your hand on the glass I'll be tryin' to pull you through You just gotta be strong

I don't wanna lose you now I'm lookin' right at the other half of me The vacancy that sat in my heart Is a space that now you hold Show me how to fight for now And I'll tell you, baby, it was easy Comin' back into you once I figured it out You were right here all along

It's like you're my mirror My mirror staring back at me I couldn't get any bigger With anyone else beside me And now it's clear as this promise That we're making Two reflections into one Cause it's like you're my mirror My mirror staring back at me, staring back at me

Aren't you somethin', an original Cause it doesn't seem really as simple And I can't help but stare, cause I see truth somewhere in your eyes I can't ever change without you You reflect me, I love that about you And if I could, I Would look at us all the time

Cause with your hand in my hand and a pocket full of soul I can tell you there's no place we wouldn't go Put your hand on the glass I'll be tryin' to pull you through You just gotta be strong

Cause I don't wanna lose you now I'm lookin' right at the other half of me The vacancy that sat in my heart Is a space that now you hold Show me how to fight for now And I'll tell you, baby, it was easy Comin' back into you once I figured it out You were right here all along It's like you're my mirror My mirror staring back at me I couldn't get any bigger With anyone else beside me And now it's clear as this promise That we're making Two reflections into one Cause it's like you're my mirror My mirror staring back at me, staring back at me

I'm starting with the man in the mirror, oh I'm asking him to change his ways And no message could have been any clearer If you wanna make the world a better place Take a look at yourself and make a change And make a change

Cause I don't wanna lose you now I'm lookin' right at the other half of me The vacancy that sat in my heart Is a space that now you hold Show me how to fight for now And I'll tell you, baby, it was easy Comin' back into you once I figured it out You were right here all along

Oh, it's like you're my mirror My mirror staring back at me I couldn't get any bigger With anyone else beside me And now it's clear as this promise That we're making Two reflections into one Cause it's like you're my mirror My mirror staring back at me, staring back at me
