Anthem Lights

I think its so sweet
And I think its so cute
How they let their friends encourage them
To try and talk to you
But you can stop them there
Oh, before they speak

First they gonna say they ain't running games
Thinking you're believing every word
Call you beautiful
So original
Telling you you're not like other girls
You were in the zone
Before he came along
Now you're thinking maybe you should go
Blah blah blah
Just be like nah to the ah to the no no no

All my ladies listen up
If that boy ain't giving up
Lick your lips and swing your hips
Girl all you gotta say is

My name is no
My sign is no
My number is no
You need to let it go
You need to let it go
Need to let it go
Nah to the ah to the no no no
My name is no
My sign is no
My number is no
You need to let it go
Need to let it go
Need to let it go

Thank you in advance
She don't wanna dance
She don't need your hands all over her
If she wanna man
Then she can get a man
But it's never her priority
She was in the zone
Before you came along
Don't want you to take this personal
Blah blah blah
Just be like nah to the ah to the no no no

All my ladies listen up
If that boy ain't giving up
Lick your lips and swing your hips
Girl all you gotta to say is

My name is no
My sign is no
My number is no

You need to let it go
You need to let it go
Need to let it go
Nah to the ah to the no no no
My name is (no)
My sign is (no)
My number is (no)
You need to let it go
(You need to let it go)
