

***Nsync Medley**

Anthem Lights

Oh...
Hey, hey
Bye, bye, bye

You might been hurt babe
That ain't no lie
You seen 'em all coming girl, oh
I'm, doing this tonight
You're finally gonna start a fight
I, know this can't right
Hey, baby come on

I know that I 'can't take no more
(it ain't no lie)
I wanna see you out that door
Baby, bye, bye bye
(Bye, bye)

Every little thing I do, never seems enough for you
You don't wanna lose it again
But I'm not like them
Baby when you find me
(don't wanna be a fool for you)
(just another player in your game for two)
Guess why
You may hate me but it ain't no lie
It's gonna be me

When the visions around you
Bring tears to your eyes
And all that surrounds you (Ooh)
Are secrets and lies (secrets and lies)

There the comes a day
When I'll be the one
Who sees
It's gonna
Gonna
Gonna
Gonna
Gonna

It's tearin' up my heart when I'm with you
And when we are apart I feel it too
And no matter what I do I feel the pain
With or without you

And I will take (I will take)
You in my arms (You in my arms)
And hold you right where you belong (right where you belong)
'Till the day my life is through
This I Promise You

It's tearin' up my heart
When I'm with you
You might hate me
But it ain't no lie

It's gonna be me
This I Promise You
