

## One Direction Mash-Up 2

### Anthem Lights

Ohhh  
I figured it out  
I figured it out from black and white  
seconds and hours  
maybe they had to take some time  
I know how it goes  
I know how it goes from wrong and right  
silence and sound  
did they ever hold each other tight like us  
did they ever fight like us  
you and I  
we dont want to be like them  
we can make it till the end  
nothing can come between  
ohh, you and I  
not even the clouds above  
can seperate the two of us  
no, nothing can come between  
you and I  
I figured it out  
I saw the mistakes of up and down  
meet in the middle  
theres always room for coming round  
I see what its like  
I see what its like for day and night  
never together  
ohhh  
cause they see things in different light like us  
they never try like us  
you and I  
we dont want to be like them  
we can make it till the end  
no, nothing can come between  
you and I  
not even the God's above  
can seperate the two of us  
so I've been waiting  
for this time to come around  
but baby running after you is like chasing the clouds  
the story of my life  
I take her home  
I drive all night to keep her warm,  
and time is frozen,  
cause you and I  
we dont want to be like them  
(the story of my life)  
we can make it till the end  
(to give her hope)  
nothing can come between  
you and I  
(spend her love)  
not even the God's above  
(till shes warm)  
can seperate the to of us  
no, nothing can come between  
you and I  
thats the story of

thats the story of my life  
ohh  
you and I  
thats the story of  
that the story of my life  
you and I
