

One Republic Mash-Up

Anthem Lights

Lately I've been, I've been losing sleep
Dreaming about the things that we could be
I'm holding on your rope got me 10 feet off the ground
But baby I've been, I've been praying hard
So no more counting dollars
We'll be counting stars
I hear the words you say but I just can't make a sound
Tell me what you want to hear
Something that will light those ears
Sick of all the insincere
So I'm gonna give all my secrets away
And everyday i see the news all the problems and we could solve
them
When a situation rises, just write it into an album
Send it straight to gold
I'm gonna give all my secrets
But it's too late (If I lose myself tonight)
I can feel again (It's too late)

If I lose myself tonight (I can feel again)
Take that money, watch it burn
Sink in the river, the lessons I've learned
Take that money, watch it burn
Sink in the river, the lessons I've learned
Take that money, watch it burn
Sink in the river, the lessons I've learned
Take that money, watch it burn
Sink in the river, the lessons I've learned
This has gotta be the good life
This has gotta be the good life
This could really be a good life, good life
I say you'll get this feeling that you can't fight
This city is on fire tonight
This could really be a good life
A good, good life (oh oh oh)
A good, good life (oh oh oh)
A good, good life
