

Scars to Your Beautiful

Anthem Lights

She just wants to be beautiful
She goes unnoticed, she knows no limits
She craves attention, she praises an image
She prays to be sculpted by the sculptor

Oh, she don't see the light that's shining
Deeper than the eyes can find it
Maybe we have made her blind
So she tries to cover up her pain
And cut her woes away
'Cause cover-girls don't cry
After their face is made

But there's a hope that's waiting for you in the dark
You should know you're beautiful just the way you are
And you don't have to change a thing
The world could change its heart
No scars to your beautiful
We're stars and we're beautiful

She has dreams to be an envy, so she's starving
You know, "Cover-girls eat nothing"
She says, "Beauty is pain and there's beauty in everything"
"What's a little bit of hunger?"
"I can go a little while longer," she fades away

She don't see her perfect
She don't understand she's worth it
Or that beauty goes deeper than the surface
Ah, oh, ah, ah oh

So to all the girls that's hurting
Let me be your mirror
Help you see a little bit clearer
The light that shines within

There's a hope that's waiting for you in the dark
You should know you're beautiful just the way you are
And you don't have to change a thing
The world could change its heart
No scars to your beautiful
We're stars and we're beautiful

Oh-oh-oh, oh-oh-oh-oh, oh-oh-oh

No better you than the you that you are
(No better you than the you that you are)
No better life than the life we're living
(No better life than the life we're living)
No better time for your shine, you're a star
(No better time for your shine, you're a star)
Oh, you're beautiful, oh, you're beautiful

You don't have to change a thing
The world could change its heart
No scars to your beautiful
We're stars and we're beautiful
