

So Will I (100 Billion X) / Indescribable

Anthem Lights

God of creation
There at the start, before the beginning of time
With no point of reference
You spoke to the dark and fleshed out the wonder of light

And as You speak
A hundred billion galaxies are born
In the vapor of Your breath, the planets form
If the stars were made to worship, so will I
I can see Your heart in everything You made
Every burning star, the signal fire of grace
If creation sings Your praises, so will I

From the highest of heights to the depths of the sea
Creation revealing Your majesty
From the colors of fall to the fragrance of spring
Every creature unique in the song that it sings
All exclaiming

Indescribable, uncontainable
You placed the stars in the sky and You know them by name
You are amazing, God
All powerful, untamable
Awestruck, we fall to our knees as we humbly proclaim
You are amazing, God

If the stars were made to worship, so will I
If the mountains bow in reverence, so will I
If the oceans roar Your greatness, so will I
For if everything exists to lift You high, so will I

And as You speak
A hundred billion creatures catch Your breath
Evolving in pursuit of what You've said
If it all reveals Your nature, so will I
'Cause you are amazing, God
