

Speechless

Anthem Lights

You say you'll be down in five
The smell of your perfume
Is floating down the stairs
You're fixing up your hair
Like you do

I know that I'll be a mess
The second that I see you
You won't be surprised
It happens every time
It's nothing new

It's always on a night like tonight
I thank God, you can read my mind
'Cause when you look at me with those eyes

I'm speechless
Staring at you standing there in that dress
What it's doing to me ain't a secret
'Cause watching you is all that I can do

And I'm speechless
You already know that you're my weakness
After all this time I'm just as nervous
Every time you walk into the room
And I'm speechless

It started when you said, "Hello"
Just did something to me
And I've been in a daze
Ever since the day that we met

You take the breath out of my lungs
Can't even fight it
And all of the words, out of my mouth
Without even trying

And I'm speechless
Staring at you standing there in that dress
What it's doing to me ain't a secret
'Cause watching you is all that I can do

And I'm speechless
You already know that you're my weakness
After all this time I'm just as nervous
Every time you walk into the room
I'm speechless

Yeah, baby, mmm
It's always on a night like tonight
I thank God, you can read my mind
'Cause when you look at me with those eyes

I'm speechless
You're standing there in that dress
And, girl, it ain't a secret
'Cause watching you is all that I can do

I'm speechless
