

# Surrounded

**Anthem Lights**

From the ground beneath my feet, as far as stars that I can't see

It's all around me, all around me

I remember when I couldn't feel it  
Fighting every battle by myself  
Didn't realize that I was shielded  
Even when I didn't want Your help

You never let me go, it's unconditional

From the ground beneath my feet, as far as stars that I can't see

It's all around me, all around me

Like the clouds that hang above, I'm floating in a sea of sun  
I'm surrounded, I'm surrounded, I'm surrounded by Your love  
Surrounded by Your love  
Surrounded by Your love

I won't take a single breath for granted  
Each and every moment is a gift  
You refuse to leave me empty-handed  
How could I deserve a love like this?

I'm never letting go, you are in control

From the ground beneath my feet, as far as stars that I can't see

It's all around me, all around me

Like the clouds that hang above, I'm floating in a sea of sun  
I'm surrounded, I'm surrounded, I'm surrounded by Your love  
I'm surrounded, surrounded by Your love  
Surrounded by Your love

Your strength is an anchor, Your grace is a blanket  
I'm safe wrapped up in your love  
Your name is comfort, You're more than enough for me

From the ground beneath my feet, as far as stars that I can't see

It's all around me, all around me

Like the clouds that hang above, I'm floating in a sea of sun  
I'm surrounded, I'm surrounded, I'm surrounded by Your love  
Surrounded by Your love  
Surrounded by Your love
