

# Sweeter Than Peaches

**Anthem Lights**

Excuse me, I'm not too good talking to such a  
Pretty girl, you got me stuttering and  
Suddenly everything is blurry but I'm  
Focused on you

Have I told you  
All the best days in my life are the ones  
You and I turn into night

I wish I knew how to say just how you  
Have a way of leaving me speechless  
I'm no pro at being poetic baby  
All I know is you're sweeter than peaches  
Sweeter sweeter sweeter  
Sweeter than peaches

Tell me all the crazy things about your  
Family I just wanna know how you turned  
Out to be everything I needed I'm so  
Stupid in love

Let me tell you  
All the best days in my life are the ones  
You and I turn into night

I wish I knew how to say just how you  
Have a way of leaving me speechless  
I'm no pro at being poetic baby  
All I know is you're sweeter than peaches  
Sweeter sweeter sweeter  
Sweeter than peaches  
Sweeter sweeter sweeter  
Sweeter than peaches
