We Are Never Getting Back Together

Anthem Lights

I remember when we broke up
The first time
Saying this is it, I've had enough
'Cause like
We hadn't seen eachother in a month
When you, said you, needed "space"
But then you come around again and say
"Baby, I miss you and I swear I'm gonna change. You can trust me."
Remember how that lasted for a day?
I say, "I hate you."
We break up, you call me, "I love you."
Ohh
We called it off again last night but
Ohh
This time, I'm telling you, I'm telling you!
We are never ever ever, getting back together
We are never ever ever, getting back together
You go talk to your friends, talk to my friends
Talk to me
But we are never ever ever ever, getting back together
I'm really gonna miss you picking fights
And me, falling for screaming that I'm right
And you, would hide away and find your piece of mind
With some Indie record that's much cooler then mine
Ohh
You call me up again last night
But ohh
This time, I'm telling you, I'm telling you
We are never ever ever, getting back together
We are never ever ever, getting back together
You go talk to your friends, talk to my friends
Talk to me
But we are never ever ever ever, getting back together
I used to think that we were forever, ever
And I used to say, never say never
I'm so tired
We are never ever ever, getting back together
We are never ever ever, getting back together
You go talk to your friends, talk to my friends
Talk to me
But we are never ever ever ever, getting back together
