

What About Love

Anthem Lights

Im, I'm feeling your thunder
The storms getting closer
This rain is like fire

And my, my worlds going under
And I can't remember
The reason that you cut off the line

You're moving on, you say
Here I stay
Ill take this pain
Yeah, I can, I can

But what about love
What about our promises
What about love
You take it all and leave me nothing
What about love
What about us to the end
What about love
You cut my wings, now I am falling

Why you're colder than winter
You're switching the picture
You used to be perfect, yeah
And once you're hot like the summer
Please help me remember
The reason that you said bye bye bye

You're moving on, you say
Here I stay
Ill take this pain
Yeah, I can, I can
What about love
What about our promises
What about love
You take it all and leave me nothing
What about love
What about us to the end
What about love
You cut my wings, now I am falling
What about love
What about, what about love
What about, what about love

People killing, people dying
Children hurting, hear them crying
Father, Father, Father help us
Send some guidance from above
Cause people got me, got me questions
Where is the love

Your'e moving on, you say
Here I stay
Ill take this pain
Yeah, I can, I can
What about love

What about our promises
What about love
You take it all and leave me nothing
What about love
What about us to the end
What about love
You cut my wings, now I am falling
What about love

Don't wanna be a fool for you
Just another player in a game for two
Don't wanna make it tough
I just wanna tell you that I've had enough
Im giving up love for sure
I don't wanna be the reason for your love no more
I'm checking out, I'm signing off
I don't wanna be your loser and I've had enough
Bye bye
