

Who I'm Meant to Be

Anthem Lights

Everyday I run a race
Just trying to get ahead
Don't think about where I am now
Just where I want to be instead
I'm losing so much precious time
But will I be satisfied in the end
Oh, in the end

I don't wanna spend my life
Trying to fight for what's not mine
I don't wanna lose myself
In someone else's dream
I know I was made with a purpose
To reach past the surface
To live life fearlessly
I want nothing less
Than to be who I'm meant to be

Everyone is on their way
But I am standing still
Comparing my behind the scenes
Against their highlight reel
I'm burning so much energy
Won't let it keep
Distracting me anymore

I don't wanna spend my life
Trying to fight for what's not mine
I don't wanna lose myself
In someone else's dream
I know I was made with a purpose
To reach past the surface
To live life fearlessly
I want nothing less
Than to be who I'm meant to be

Nothing less than
Who I'm meant to be
Live life with purpose
Reach past the surface
It's who I'm meant to be

I don't wanna spend my life
Trying to fight for what's not mine
I don't wanna lose myself
In someone else's dream
I know I was made with a purpose
To reach past the surface
To live life fearlessly
I want nothing less
I want nothing less
Than to be who I'm meant to be
