

Wicked Medley

Anthem Lights

Something has changed within me
Something is not the same
I'm through with playing by the rules of someone else's game
Too late for second-guessing
Too late to go back to sleep
It's time to trust my instincts
Close my eyes and leap

Just for this moment
As long as you're mine
Come be how you want to
And see how bright we shine
Borrow the moonlight
Until it is through
And know I'll be here
Holding you
As long as you're

Through accepting limits 'cause someone says they're so
Some things I cannot change, but 'til I try, I'll never know

Indeed you will be

Popular, you're gonna be popular
I'll teach you the proper poise when you talk to boys
Little ways to flirt and flounce, ooh
I'll show you what shoes to wear, how to fix your hair
So let's start cause you've got an awfully long way to go

And none of it seems to matter
Anymore
Like a comet pulled from orbit
(Like a ship blown from it's mooring)
As it passes a sun
(By a wind off the sea)
Like a stream that meets a boulder
(Like a sea dropped by bird through the wood)
Halfway through the wood

Tell them how I am defying gravity
I'm flying high, defying gravity
And soon I'll match them in renown

I do believe I have been changed
For the better

And nobody in all of OZ
Is ever gonna bring me down

You will be popular
As long as you're mine
Bring me down
Been changed for good
So we've got to bring her
Ahhhh
Down
