

2004

Anthony Amorim

I, I wish it was 2004  
I wish my favorite bands were still on tour  
And I wish everything wasn't so complicated  
And I, I wish that I was still as tall  
As the markings on the kitchen wall  
Wish I could gain back the confidence that they created

Lately, things haven't been the best for me  
I know, you think, it's all in my head  
I'm crazy, for wondering what it's all for  
But everyday I'm thinking of ways  
For someone to come and take me away  
And say "we're going back to 2004"

I, I never had it all quite figured out  
I never really learned what growing up was all about  
And I still don't know  
And there are so many things that I wish I could say I've done  
They say that time flies when you're having fun  
Does time only fly when you're young?

Lately, things haven't been the best for me  
I know, you think, it's all in my head  
I'm crazy, for wondering what it's all for  
But everyday I'm thinking of ways  
For someone to come and take me away  
And say "we're going back to 2004"

Looking back on it I know that I am fortunate and I cannot complain  
The nerves, the stress, the total mess that's all inside my brain  
But growing up just makes me really, really, really scared  
And I don't think that I'm prepared

I, I wish it was 2004  
I wish my childhood was still in store  
And I wish everything wasn't so  
So complicated

Lately, things haven't been the best for me  
I know, you think, that it's all in my head  
And I must be crazy, for wondering what it's all for  
But everyday I'm thinking of ways  
For someone to come and take me away  
And say "we're going back to 2000..."  
Yeah everyday I'm thinking of ways  
For someone to come and take me away  
And say "we're going back to 2004"
