

Girls / Girls / Boys

Anthony Amorim

I don't want to hear you've got a boyfriend
Sometimes you're better off alone

If you change your mind
You know where I am
If you change your mind
You know where to find me
I don't ever wanna be your boyfriend

Never did I think that I
Would be caught in the way you caught me
Push another girl aside
And just give in

Girls love girls and boys
Girls love girls and boys
Never did I think that I
Would be caught in the way you caught me
Girls love girls and boys
Love is not a choice

Pose, you've gotta save your reputation
And they're close to finding out about your girlfriend

If you change your mind
You know where I am
If you change your mind
You know where to find me
I don't wanna save your reputation

Never did I think that I
Would be caught in the way you caught me
Push another girl aside
And just give in

Girls love girls and boys
Girls love girls and boys
Never did I think that I
Would be caught in the way you caught me
Girls love girls and boys

Love is not a choice
And love is not a choice
