

Interlude

Anthony Amorim

I know
That you've got doubt
And you've got fear
You don't let out
I know
You're not as strong
As you would like to be
Don't lie to me

You've got it all figured out
You had me all to yourself
You've got the world in your hands
You've got to make some new plans
You want your own peace of mind
Don't ask for pieces of mine
I, I won't be staying here
