

# Sad Forever

Anthony Amorim

I wake up feeling not okay, just the same as yesterday  
I mean I can't keep my thoughts straight, no need to explain  
Don't wanna live life stuck in this headspace  
And I hope things start to change  
Might go crazy if they stay the same  
Because this life is a fast race, and I'm in last place  
And I don't wanna be (sad forever)

And you know sometimes I try to be somebody I'm not  
I still got problems with my body, think about it a lot  
And I could tell you that I'm sorry but you know what, I'm not  
Cause this is who I am  
And I know sometimes I get a little stuck in my head  
Telling everyone around me that I wish I was dead  
But I think the way I'm thinking needs some changing instead  
Cause I love who I am

Oh, this is where I'm at  
This is what I dress like  
This is how I act  
You cannot make me feel like it is now or never  
I don't want to be sad forever  
Oh, this is who I am  
You say you don't like it, I don't give a damn  
You cannot make me feel like it is now or never  
I'm not gonna be sad forever

I don't wanna be, so I'm not gonna be  
I don't wanna be sad forever  
I don't wanna be, so I'm not gonna be  
I don't wanna be sad forever

I like watching Spy Kids 3, with the 3D glasses on  
And I know every single word to every old school, pop-punk song  
And I know you're watching me, thinking where did he go wrong  
But I can tell you that I'm fine, and all my business is my own

And I bet you're probably thinking that I'm stuck in my ways  
Cause I can sit on my computer and do nothing for days  
And to you I might be crazy but for me it's okay  
Cause this is who I am  
And maybe I don't clean my room up just as much as I should  
But I can play the ukulele and it sounds kind of good  
Go ahead and try to test me cause I wish that you would  
I still love who I am. (woah)

Oh, this is where I'm at  
This is what I dress like  
This is how I act  
You cannot make me feel like it is now or never  
I don't want to be sad forever  
Oh, this is who I am  
You say you don't like it, I don't give a damn  
You will not make me feel like it is now or never  
I'm not gonna be sad forever

I don't wanna be, so I'm not gonna be

I don't wanna be sad forever  
I don't wanna be, so I'm not gonna be  
I don't wanna be sad forever

Oh, this is where I'm at  
This is what I dress like  
This is how I act  
You cannot make me feel like it is now or never  
NOPE!

Oh, this is where I'm at  
This is what I dress like  
This is how I act  
You cannot make me feel like it is now or never  
I don't want to be sad forever  
Oh, this is who I am  
You say you don't like it, I don't give a damn  
You will not make me feel like it is now or never  
I'm not gonna be sad forever  
Oh
