

# You Move Me

Anthony B

Yo I eh reaching out to the Queen of all nation  
Woman say man always done wrong  
That's why I livicate this song  
So woman could overstand hey I yo

Let me take this time to let you know you're on my mind  
You move me  
You said man not have been kind but I say you're divine  
Because you groove me, sincerely  
Let me take this time to let you know you're on my mind  
You move me  
You said man not have been kind but I say you're divine  
Because you groove me, sincerely

All the woman in a the world me say me want you listen this  
the one whey get love to the one whey only get hit  
I apologize fi all the time man call you a bitch  
They were wrong could you forgive the negative  
Usual use sex as sedative  
Treating the woman disrespectfully  
Now you are a son please remember mama reflection  
Give the woman dem love and protection  
Nuh abuse mi school girl dem need education  
Point direction give them correction  
Woman a di beautifulest thing in a creation  
More than a beauty lustful solution  
Cause a constant elevation  
Woman give man motivation  
With you empress feel the vibration  
Woman stood by so long  
Even when the little boy done wrong  
So to all the female me livicate this song

Let me take this time to let you know you're on my mind  
You move me  
You said man not have been kind but I say you're divine  
Because you groove me, sincerely  
Let me take this time to let you know you're on my mind  
You move me  
You said man not have been kind but I say you're divine  
Because you groove me, sincerely

Lady you are more than a priceless treasure  
Bring man joy love and pleasure  
More than anything I can measure  
Just like a fruitful seed in a good weather  
To abuse you woman I will never  
B'cause wha, you make me sweet when you go walk with me  
You make me proud when you go talk with me  
You make me happy when you bounce with me yo o-o-o lady

Let me take this time to let you know you're on my mind  
You move me  
You said man not have been kind but I say you're divine  
Because you groove me, sincerely  
Let me take this time to let you know you're on my mind  
You move me

You said man not have been kind but I say you're divine  
Because you groove me, sincerely

Woman my fondest thought of memory go with you  
I'm sorry fi all the woman whey man abuse you  
Every woman pray that them man nah go cheat  
Caan build a foundation on lies and deceit  
In a relationship no bother hide and seek  
Make you marriage vow mi say a it you must keep  
But a kind a hard for a man not to stray  
When they hear the song I hope they will start from today

Let me take this time to let you know you're on my mind  
You move me  
You said man not have been kind but I say you're divine  
Because you groove me, sincerely  
Let me take this time to let you know you're on my mind  
You move me  
You said man not have been kind but I say you're divine
