

## Another One

Anthony Brown & group therAPy

You've been my hope in ages past  
You'll be my hope for days to come  
And where there seems to be no way  
Here comes my God with another one

Say aay (aay) a-ay (a-ay)  
Another one (another one)  
Say aay (aay) a-ay (a-ay)

You've been my hope (in ages past)  
You'll be my (You'll be my hope for days to come)  
And where there seems (and where there seems to be no way)  
Here comes my God (here comes my God) another one (with another one)

Listen, a way will be made today  
A way will be made  
Where there was no way yesterday  
A way will be made today

A way will be made today  
A way will be made  
Where there was no way yesterday  
A way will be made today

You've been my hope in ages past  
You'll be my hope (You'll be my hope for days to come)  
And where there seems (and where there seems to be no way)  
Here comes my God (here comes my God with another one)

Say it with me  
A way will be made today  
A way will be made  
Where there was no way yesterday  
A way will be made today

(You say) A way will be made today  
A way will be made  
Where there was (where there was no way yesterday)  
A way will be made today

The windows of heaven (the windows of heaven) are open (are open for me)  
I'm walking (I'm walking by faith instead of by what I see)  
Jehovah Jireh (Jehovah Jireh) will provide for me (will provide for me)  
I've seen it time and time again  
So it's with confidence I speak

That a way will (that a way will be made today)  
(A way will be made) yes it will  
(Where there was no way yesterday)  
Yeah yeah  
(A way will be made today)  
Somebody say it

(A way will be made today)  
(A way will be made) yes it  
(Where there was no way yesterday)  
A way (a way will be made today)

The windows of heaven (the windows of heaven) are open (are open for me)  
I'm walking (I'm walking by faith instead of by what I see)  
Jehovah Jireh (Jehovah Jireh) will provide for me (will provide for me)  
I've seen it time (I've seen it time and time again)  
So it's with confidence I speak  
The windows of heaven are open for me  
I'm walking (I'm walking by faith instead of by what I see)  
Jehovah (Jehovah Jireh will provide for me)

I've seen it time and time again (I've seen it time and time again)  
I've seen it time and time again (I've seen it time and time again)  
I've seen it time and time again (I've seen it time and time again)

I've seen it time and time again so it's with confidence I speak  
A way (that a way will be made today) yes it will  
A way will be made  
Where there was no way yesterday  
A way will be made today

A way (that a way will be made today) yes it will  
A way will be made  
Where there was no way yesterday  
Where there was no way yesterday (Where there was no way yesterday)  
Where there was no way yesterday (Where there was no way yesterday)  
Where there was no way yesterday (oh, oh, oh oh oh)  
Where there was no way yesterday  
A way will be made today

Yeah  
You've been my hope in ages past  
You'll be my hope for days to come  
And where there seems to be no way  
Here comes my God with another one

If God has made a way for you make some noise in the room
