

Beyond Beyond

Anthony Brown & group therAPy

I submit my will to Yours
I surrender all to You
I'm tired of running
I'm tired of hiding
I've tried my way

Lord, I give my life to You
I know there's more that You desire
No longer abusing
The grace and mercy
You gave to me

With my hands upraised
Crying out for You
I cry out to You

Lord, show me Your glory
I want to feel Your glory
Lord, show me Your glory
I want to see You
Show me Your glory
I want to feel Your glory
Lord, show me Your glory
I'm ready to go
Beyond beyond

I submit my will to Yours
I surrender all to You
I'm tired of running
I'm tired of hiding
I've tried my way

Lord, I give my life to You
I know there's more that You desire
No longer abusing
The grace and mercy
You gave to me

With my hands upraised
Crying out for You
I cry out to You

Lord, show me Your glory
I want to feel Your glory
Lord, show me Your glory
I want to see You
Show me Your glory
I want to feel Your glory
Lord, show me Your glory
I'm ready to go
Beyond beyond
I'm ready to go
Beyond beyond

Yes, Lord
From the pound of my heart
To the depth of my soul

I say yes, Lord

Show me Your glory
I want to feel Your glory
Lord, show me Your glory
I want to see You
Show me Your glory
I want to feel Your glory
Lord, show me Your glory
I'm ready to go
Beyond beyond
I'm ready to go
Beyond beyond
I'm ready to go
Beyond beyond
I'm ready to go
Beyond beyond
I'm ready to go
Beyond beyond
I'm ready to go
