

Bless The Lord

Anthony Brown & group therAPy

I will, bless the Lord oh my soul
And all, all that is within me
(I will, bless the Lord oh my soul
And all, all that is within me)

Just think about it (just think about it)
Take a minute and think (take a minute and think about it)
Where would you be (where would you be
How would you live
What would you do about it)
Just think about it (just think about it)
Take a minute and think (take a minute and think about it)
Blessings for days (blessings for days
Way after way
You ought to shout about it)
Cmon whatever
(Whatever happened yesterday, was yesterday)
Right now
(Right now you have a chance to make a change)
Oh before you
(Before you start to complain
Before you say another thing
Make up, your mind
Cause I'm gonna bless His name)

I will, bless the Lord oh my soul
And all, all that is within me
(I will, bless the Lord oh my soul
And all, all that is within me)

Just think about it (just think about it)
Take a minute and think (take a minute and think about it)
Where would you be (where would you be
How would you live
What would you do about it)
Just think about it (just think about it)
Take a minute and think (take a minute and think about it)
Blessings for days (blessings for days
Way after way
You ought to shout about it)
Whatever happened
(Whatever happened yesterday, was yesterday
Right now you have a chance to make a change
Before you start to complain
Before you say another thing
Make up, your mind
Cause I'm gonna bless His name)

I will, bless the Lord oh my soul
And all, all that is within me, say
(I will, bless the Lord oh my soul
And all, all that is within me)

Everybody clap your hands

For waking me up (I'm gonna give Him the praise for it)
For getting me started (I'm gonna give Him the praise for it)

For keeping my mind (I'm gonna give Him the praise for it)
I can't thank You enough (I can't thank You enough)
For everyday (I'm gonna give Him the praise for it)
For every door You open (I'm gonna give Him the praise for it)
For everything You've done (I'm gonna give Him the praise for it)
I can't thank You enough (I can't thank You enough)
For keeping my momma (I'm gonna give Him the praise for it)
For keeping my daddy (I'm gonna give Him the praise for it)
For keeping my family (I'm gonna give Him the praise for it)
I can't thank You enough (I can't thank You enough)
You don't know (I'm gonna give Him the praise for it)
Like I know (I'm gonna give Him the praise for it)
What the Lord (I'm gonna give Him the praise for it)
Has done for me (I can't thank You enough)
I'm gonna give Him the praise (I'm gonna give Him the praise for it)
I'm gonna give Him the praise (I'm gonna give Him the praise for it)
I'm gonna give Him the praise (I'm gonna give Him the praise for it)
Oh oh oh (I'm gonna give Him the praise for it)
And I'm gonna give Him the praise for it
I'm gonna give Him the praise for it, oh, oh, oh, oh)

I can't thank You enough (thank You enough)
I can't thank You enough (thank You enough)
The more I gets the credit (thank You enough)
The more I gotta praise Him (thank You enough)
For life, health and strength (thank You enough)
For more than protection (thank You enough)
For keeping protection (thank You enough)
I can't thank You enough (thank You enough)
I will praise Your name (thank You enough)
For every door You open (thank You enough)
For leaning in favor (thank You enough)
There's so many reasons (thank You enough)
I just gotta say (thank You enough)
I gotta lift my hands (thank You enough)
Somebody help me (thank You enough)
Thank You enough (thank You enough)

I will, bless the Lord oh my soul
And all, all that is within me
(I will, bless the Lord oh my soul
And all, I can't thank you enough)
