You don't have permission to call me  
By a name that He never gave me  
I will no longer answer, to things  
That He washed away with His blood  
There is no condemnation, to them  
Who are in His family

When Jesus died way back on Calvary  
Said He took those things  
That were guilt, away from me  
Whom the Son sets free  
Is free indeed  
So praise the Lord  
Hallelujah, I'm free  
I'm free

You don't have permission, come on  
(You don't have permission to call me)  
By a name (by a name that He never gave me  
I will no longer answer)  
I will no longer answer (to things  
That He washed away with His blood  
There is no condemnation) there is no condemnation  
(To them, who are in His family)

When Jesus died (when Jesus died way back on Calvary)  
(He took the shame) He took the shame  
(And the guilt, away from me  
Whom the Son sets free, oh oh) whom the Son sets free  
(Is free indeed, free, free indeed  
So praise the Lord) praise the Lord  
(Hallelujah) yeah  
(I'm free, wha ooh, whaa ooh)  
Said I'm free (wha ooh, whaa ooh)

(No, I)  
Said I (won't go back)  
I'm not gonna go back (no, I won't, have to go back)  
Said no (no I, won't go back) I won't go back  
(No, I won't, have to go back) to the things I used to do  
(No I, won't go back) I don't do no more  
(No, I won't, have to go back) no, I  
(No I, won't go back) I don't have to go back, no more, no more  
(No, I won't, have to go back) no no, no no no, I won't

Say it, say I won't (won't go back)  
I won't go back (won't go back)  
To the things that I used to do (won't go back)  
I don't do no more (no)  
No (no)

(I won't go back) I won't go  
(No, I won't, have to go back) I made a vow to the Lord  
(No I, won't go back) And I won't take it back  
(No, I won't, have to go back) No, no

No no no (won't go back)

I can't go back (won't go back)  
Because He saved me (won't go back)  
He delivered me (won't go back)  
He brought me (won't go back)  
From a mighty long way (won't go back)  
No no (won't go back)  
No no (no)  
No (no)  
No (no)  
No (no)  
No (no)  
No (no  
I won't go back) back!

No  
I said no  
I won't go back
