

# History

Anthony Brown & group therAPy

Something good is coming to me  
How do I know? 'Cause we got history  
Haha, yeah, let's go

Good days and bad days  
Each day I still say  
Thank You for letting me see it  
Some days I still face  
Trials and I say  
I wish I didn't have to go through this  
(I wish)

But that's when I remember Your love  
Your love surrounding me, yeah  
That's when I remember Your touch  
Your hand is holding me, yeah  
I know You have tomorrow  
Just like You've got today, yeah  
Have not forgotten what You did for me yesterday

We still got history  
(Yeah, yeah, yeah, we do)  
We've got history  
(Yeah, yeah, yeah, we do)  
We've got history  
(Yeah, yeah, yes, we do)  
We've got history  
Of me praising You and You coming

Oh, oh, oh-oh-oh, oh  
And I love our story  
Oh, oh, oh-oh-oh, oh  
And I love our story  
Oh, oh, oh-oh-oh, oh  
And I love our story  
Oh, oh, oh-oh-oh, oh  
And I love our story

Each day Your mercies  
You freely give me  
Thank You for letting me see it  
Yeah, I owe You that much  
Even on rough days  
'Cause You put a smile on my face  
Somehow I know we're gonna get through it

That's 'cause I remember Your love  
Your love surrounding me, yeah  
That's 'cause I remember Your touch  
Your hand is holding me, yeah  
I know You have tomorrow  
Just like You've got today, yeah  
Have not forgotten what You did for me yesterday

'Cause we've got history  
(We do, we do, ooh)  
We've got history

(We do, we do, ooh)  
We've got history  
(We do, we do, ooh)  
We've got history  
Of me praising You and You coming

Oh, oh, oh-oh-oh, oh  
And I love our story  
Oh, oh, oh-oh-oh, oh  
And I love our story  
Oh, oh, oh-oh-oh, oh  
And I love our story  
Oh, oh, oh-oh-oh, oh  
God, I love our story

You have not given the spirit of fear  
The power of love and a sound mind  
So before I start worrying  
I ask myself this one question

Why would He not show up again  
When He showed up the last time?  
Didn't He show up the last time?  
Yeah, He showed up the last time  
Why would He not show up again  
When He showed up the last time?  
Didn't He show up the last time?  
Yeah, He showed up the last time

Why would He not heal me again  
When He healed me the last time?  
Didn't He heal me the last time?  
Yeah, He healed me the last time  
Why would He not heal me again  
When He healed me the last time?  
Didn't He heal me the last time?  
Yeah, He healed me the last time

Why would He not keep me again  
When He kept me the last time?  
Didn't He keep me the last time?  
Yeah, He kept me the last time  
Why would He not keep me again  
When He kept me the last time?  
Didn't He keep me the last time?  
Yeah, He kept me the last time

Why would He not show up again?  
Why would He not show up again?  
Why would He not show up again?  
Why would He not show up again?

I know You have tomorrow  
Just like You've got today, yeah  
Have not forgotten what You did for me yesterday  
I know You have tomorrow  
Just like You've got today, yeah  
Have not forgotten what You did for me yesterday  
I know You have tomorrow  
Just like You've got today, yeah  
Have not forgotten what You did for me yesterday

'Cause we've got history

(I remember, yeah)  
We've got history  
(Mmh, help me to remember that we're got)  
We've got history  
(Yeah, I'm still praising You off our history)  
We've got history  
Of me praising You and You coming through for me
