Anthony Brown & group therAPy

Well!
Hahahahaha
Ayy GP! Lift up!

Everywhere I go, I take my Jesus with me
Everywhere I go, I take my Jesus with me (That feel real good)
Everywhere I am, I know he's right there with me (That feel real good)
That's why I stay winning every time you see me (Let's go!)
Everywhere I go, I take my Jesus with me
Everywhere I go, I take my Jesus with me
Everywhere I am, I know he's right there with me
That's why I stay winning every time you see me

I got that V-I-C-T-O-R-Y
I got no reason to fear, I got Jesus on my side
I got that, ayy! (Wait)
I got that, V's up! (That spell victory right?)
I got that, ayy!
I got that, V's up! (I win, I win, I win)

I got that, V's up! (Let's get it!)

Everybody's asking, "Why you always laughing?"
When there is no reason to smile (To smile)
And everybody's saying (Oh yeah), "Why do you keep praying?"
Things ain't changed for you in quite a while
When I think of all the stuff I had to go through
Just so I could be here today (My Lord)
It always reminds me, go ahead and be thankful
'Cause I know my blessing's on the way
('Cause my blesing's on the way, yeah)

They said I wasn't gon' make it (Uh huh)
They said it couldn't be done
But every time they see me
They say, "there go that one" (There go that one)
I don't take no credit (Mmm)
I know where my help comes from
I just look up to them hills
And I praise Him 'til it's done (Say)

I got that V-I-C-T-O-R-Y (Oh)

?)
That's why I stay winning every time you see me (Can I say it like I say it?
)

Now you understand why I keep my head held high
Even on the worst of days
I might cry for the night, but joy comes in the morning
Trouble don't last always
Please don't let them tell you
What you cannot do
Just because it's never been done
You just let them watch you
Do what they cannot do
And just tell them, "My God won", yeah

They said I wasn't gon' make it (Hey)
They said it couldn't be done (Oh my)
But every time they see me (Uh)
They say, "there go that one" (There go that one)
I don't take no credit (My Lord)
I know where my help comes from (Yes sir)
I just look up to them hills
And I praise Him 'til it's done (Say)
