

Miracle Worker

Anthony Brown & group therAPy

I wish that everyday was happy
And the sun would always shine
But sometimes clouds come without warning
They catch us by surprise
Right when life gets so frustrating
Before I sing the blues
I remember that You're God
And it's not too big for You

I'm standing on Your Word
I'm holding on to my Faith
I'm pressing towards the mark
I don't believe it's too late

I'm standing on Your Word
I'm holding on to my Faith
I'm pressing towards the mark
I don't believe it's too late

Cos there's no such thing as too late
With You there's no such thing as too late
With You there's no such thing as too late
With You there's no such thing as too late

I know You're a Miracle Worker
I know You're a Miracle Worker
I know You're a Miracle Worker
I know You're a Miracle Worker

He is the substance of what's hoped for
It's what you cannot see
I know you got a better report
But whose report will you believe
The way I'm acting may surprise you
And my smile may not make sense
You're only seeing how it started
Just wait till the end

I'm standing on Your Word
I'm holding on to my Faith
I'm pressing towards the mark
I don't believe it's too late

I'm standing on Your Word
I'm holding on to my Faith
I'm pressing towards the mark
I don't believe it's too late

There's no such thing as too late
With You there's no such thing as too late
With You there's no such thing as too late
With You there's no such thing as too late

No such thing as too late
With You there's no such thing as too late
With You there's no such thing as too late
With You there's no such thing as too late

'Cause there's no such thing as too late
With You there's no such thing as too late
With You there's no such thing as too late
With You there's no such thing as too late

'Cause there's no such thing as too late
With You there's no such thing as too late
With You there's no such thing as too late
With You there's no such thing as too late

I know You're a Miracle Worker
I know You're a Miracle Worker
I know You're a Miracle Worker
I know You're a Miracle Worker

I'm standing on Your Word
I'm holding on to my Faith
I'm pressing towards the mark
I don't believe it's too late

I'm standing on Your Word
I'm holding on to my Faith
I'm pressing towards the mark
I don't believe it's too late

No such thing as too late
With You there's no such thing as too late
With You there's no such thing as too late
With You there's no such thing as too late

'Cause there's no such thing as too late
With You there's no such thing as too late
With You there's no such thing as too late
No such thing as too late

I know You're a Miracle Worker
I know You're a Miracle Worker
I know You're a Miracle Worker
I know You're a Miracle Worker
