

Na Na Ok (The Happy Song)

Anthony Brown & group therAPy

Na na na na na na, na na na na
(Na na na na na na, na na na na)
Na na na na na na, na na na na
(Na na ok, oh, na na ok)
(Na na na na na na, na na na na)
Na na ok, uh, na na ok

Na na na na na na, na na na na
(Na na ok, oh, na na ok)
(Na na na na na na, na na na na)
Na na na na na na, na na na na
(Na na ok, oh, na na ok)
(Na na na na na na, na na na na)

Just woke up and feelin' blue
Baby's crying, bills are due
(Na na na na na na, na na na na)

Haven't even left the house
Already fightin' with my spouse
(Na na na na na na, na na na na)

Traffic movin' super slow
Hurry up, I gotta go
(Na na na na na na, na na na na)

Why must people be so rude?
I ain't even in the mood
Got me feelin' like I'm spinnin' out of control

Life is too short not to dance every day
Turn that frown upside down, yeah
Smile either way
Give a kiss, give a hug
Give everybody love and don't
Let your situation make you
Change your disposition

I ain't gon' let nothin' take my happy away
I ain't gon' let nothin' take my happy away
I'll just say hey, hey, things may not always go my way
I know I just got a feelin' that it's gon' be ok
Let's go

Na na na na na na, na na na na
(Na na ok, oh, na na ok)
(Na na na na na na, na na na na)
Na na na na na na, na na na na
(Na na ok, oh, na na ok)
(Na na na na na na, na na na na)

Now, that we're on the move
Might as well enjoy this groove
(Na na na na na na, na na na na)

May not be goin' perfectly
Rut it's not as bad as it could be

(Na na na na na na, na na na na)

Might as well go 'head and dance
I'm gon' praise Him in advance
(Na na na na na na, na na na na)

Since I still get the choice
I am choosin' to rejoice
All because I know my God is still in control

Life is too short not to dance every day
Turn that frown upside down, yeah
Smile either way
Give a kiss, give a hug
Give everybody love and don't
Let your situation make you
Change your disposition

I ain't gon' let nothing take my happy away
I ain't gon' let nothing take my happy away
I'll just say hey, hey, things may not always go my way
But I just got a feelin' that it's gon' be ok

It's gon' be ok
(It's gon' be ok)
It's gon' be ok
(What, it's gon' be ok)
It's gon' be ok
(What, what, it's gon' be ok)
It's gon' be ok
(What, what, what, what, it's gon' be ok)

This joy I have, the world didn't give it to me
This joy I have, the world didn't give it to me
This joy ain't got nothin' to do
With what's goin' on around me
But it's what I feel on the inside
That keeps me happy

This joy I have, the world didn't give it to me
This joy I have, the world didn't give it to me
This joy ain't got nothin' to do
With what's goin' on around me
But it's what I feel on the inside
That keeps me happy

I ain't gon' let nothin' take my happy away
I ain't gon' let nothin' take my happy away
I'll just say hey, hey, things may not always go my way
But I just got a feeling that it's
Ladies

You gotta get your way to a happy place
You gotta put that smile up on your face
You gotta say no matter what comes around
I ain't gonna let it bring me down

You gotta get your way to a happy place
Put that smile up on your face
You gotta say no matter what comes around
I ain't gonna let it bring me down

Happy people everywhere, let me hear you say

(Oh, yeah)
Happy people everywhere, let me hear you say
(Oh, yeah)

Get up (Get up)
Move something (Move something)
Get up (Get up)
Move something (Move something)

Get up (Get up)
Move something (Move something)
Everybody (Dance, dance, dance, dance)

Na na na na na na, na na na na
(Na na na na na na, na na na na)
Na na na na na na, na na na na
(Na na ok, oh, na na ok)
(Na na na na na na, na na na na)
Ooh

I ain't gon' let nothin' take my happy away
Sing it like you mean it
I ain't gon' let nothin' take my happy away
I'll just say hey, hey, things may not always go my way
But I just got a feelin' that it's gon' be ok
