

Without You

Anthony Brown & group therAPy

Come thou founts of, every blessing
Tune my hearts to, sing thy grace
Streams of mercy, never ceasing
Call for songs of, loudest praise
Teach me some melodious sonnet
Sung by a-flaming tongues above
Praise the mount, I'm fixed upon it
Mount of thy redeeming love

Hallelujah here's our hearts Lord, seal them

Where would I be, without your love
I'd be lost, I'd be lost, without your love
Where would I be, without your grace
I'd be lost, I'd be lost, without your grace
Never, I never want to be without you
I never want to be without you
Never, never want to be without you
Never want to be without you

(Where would I be) I'd be
(Without your love) I'd be lost
(I'd be lost) I'd be
(I'd be lost) lost
(Without your love) where would I
(Where would I be) I'd be
(Without your grace) I'd be lost
(I'd be lost) I'd be
(I'd be lost) without
(Without your grace) oh oh
(Never, never want to be without you) I never want to be without you
(I'd never want to be without you) oh oh
(Never) never, never (never want to be without you) can't live without you
(I'd never want to be without you) oh oh
(Never) never (never want to be without you) not my will
(I'd never want to be without you) but Your will be done in me
I want what you want, I want what you want
(Never, never want to be without you) and I never want to be
(I'd never want to be without you) not one day without you

I'm safe, with you, so safe
And I never want to be without you
(I'm safe) hey
(With you) oh yes I am
(So safe) and I never want to be yes
(And I never want to be with you) there's love
(There's love) Your love is better than life
(With you) and it keeps me safe
(I'm safe) and I never want to be
(And I never want to be without you) there's peace
(There's peace) peace like a river flow
(With you, I'm safe) and I never want to be yes
(And I never want to be without you) there's joy
(There's joy) and I found it in you
(With you) that's why I'm safe
(I'm safe) and I never want to be yes
(Never want to be without you) there's grace

(There's grace) oh the grace I need is right here with you
(With you) oh and I'm safe
(I'm safe) and I never want to be yes
(And I never want to be without you)

Wherever I am, I'll praise you
I want you to be there
(I never want to be without you)
Yes I do, I need you every second, every minute
Every hour of the day, I need you
(I never want to be without you)
I tried it my own way, and I don't want
I don't want to go without you
(I never want to be without you)
No, I need you, I need you, I need you, I need you
And I never want to be
(And I never want to be without you) ohh
(Never) right where you are
(Never want to be without you) I want to be right where you are
(I never want to be without you) right there, anybody else like me
I need you Lord
(Never) oh yeah
(Never want to be without you) oh ohh
I never want to be without you) never want to be without you
Hallelujah
