

Fantasy

Anthony Callea

Every man has a place
In his heart, there's a space
And the world can't erase his fantasies
Take a ride in the sky
On our ship, Fantasize
All your dreams will come true right away

And we will live together
Until the twelfth of never
Our voices will ring forever, as one

Come to see victory
In the land called fantasy
Loving life for you and me
To behold, to your soul is ecstasy
You will find
Other kind
That has been in search of you
Many lives has brought you to
Recognize, it's your life now in review

Every thought is a dream
Rushing by in a stream
Bringing life to the kingdom of doing
Take a ride in the sky
On our ship, Fantasize
All your dreams will come true miles away

Our voices will ring together
Until the twelfth of never
We all will live, love forever, as one

Come to see victory
In the land of fantasy
Loving life, a new degree
Bring your mind to everlasting liberty
As you stay for the play
Fantasy has in store for you
Glowing light will see you through
It's your day, shining day
All your dreams come true
As you glide with your stride
With the wind as you fly away
Give a smile from your lips and say
"I am free. Yes, I'm free. Now, I'm on my way"
Come to see victory
In the land of fantasy
Loving life, a new degree
Bring your mind to everlasting liberty

Our voices will ring together
Until the twelfth of never
We all will live, love forever, as one

Come to see victory
In the land of fantasy
Loving life, a new degree

Bring your mind to everlasting liberty
As you stay for the play
Fantasy has in store for you
Glowing light will see you through
It's your day, shining day
All your dreams come true
As you glide
With the wind as you fly away
Give a smile from your lips and say
"I am free. Yes, I'm free. Now, I'm on my way"

Every man has a place
In his heart, there's a space
And the world can't erase his fantasies
