

## Get Here

Anthony Callea

You can reach me by railway  
You can reach me by trail-way  
You can reach me on an airplane  
You can reach me with your mind  
You can reach me by caravan  
Cross the desert like an Arab man  
I don't care how you get here, just get here if you can

You can reach me by sailboat  
Climb a tree and swing rope to rope  
Take a sled and slide down slow, into these arms of mine  
You can jump on a speedy colt  
Cross the border in a blaze of hope  
I don't care how you get here, just get here if you can

There are hills and mountains between us  
Always something to get over  
If I had my way, then surely you would be closer  
I need you closer

There are hills and mountains between us  
Always something to get over  
If I had my way, then surely you would be closer  
I need you closer

You can windsurf into my life  
Take me up on a carpet ride  
You can make it in a big balloon  
But you better make it soon  
You can reach me by caravan  
Cross the desert like an Arab man  
I don't care how you get here, just get here if you can

I don't care, I don't care, I need you right here right now  
I need you right here, right now, right by my side  
Yeah, yeah, yeah, yeah  
I don't care how you get here, just- get here if you can
