

Per Sempre (For Always)

Anthony Callea

Sometimes i feel you,
Like a beautiful light,
Guiding my hand,
Through the darkest night

Sometimes i hear you,
Like a whispering breeze,
In the call of the songbird,
In the distant trees

And sometimes if i close my eyes,
I can see another place and time

And sometimes i cry,
And sometimes i hurt,
Though i will always know
I've been loved
And sometimes i bleed,
From my broken heart,
Though i will always know i've been loved,
For Always

Bella bocca di rubini,
Amore dolce aura spiri,
Non parlare, parlare

Bella rosa fresca,
Lo posso ben amare,
Laciamo baci dire le parole

And sometimes if i close my eyes,
I can see another place and time

Sempre fedele ti voglio amar,
Chiede quest'anima amante,
Sempre fedele ti voglio amar,
Il pianto sistiene l'amore
Per Sempre

And here beneath this sky of stars,
I feel you're never far away

And sometimes i cry,
And sometimes i hurt,
Though i will always know
I've been loved
And sometimes i bleed,
From my broken heart,
Though i will always know i've been loved,
For Always

Per Sempre
