

# When You Believe

Anthony Callea

Many nights we prayed  
With no proof anyone could hear  
In our hearts a hope for a song  
We barely understood  
Now we are not afraid  
Although we know there's much to fear  
We were moving mountains  
Long before we knew we could

There can be miracles  
When you believe  
Though hope is frail  
Its hard to kill  
Who knows what miracles  
You can achieve  
When you believe somehow you will  
You will when you believe

In this time of fear  
When prayer so often proves in vain  
Hope seems like the summer bird  
Too swiftly flown away  
Yet now I'm standing here  
My hearts so full, I can't explain  
Seeking faith and speakin' words  
I never thought I'd say

There can be miracles  
When you believe (When you believe)  
Though hope is frail  
Its hard to kill  
Who knows what miracles  
You can achieve (You can achieve)  
When you believe somehow you will  
You will when you believe... Ooh...

They don't always happen when you ask  
And its easy to give in to your fears  
But when you're blinded by your pain  
Can't see the way, get through the rain  
A small but still, resilient voice  
Says hope is very near, oh...

There can be miracles  
When you believe (When you believe)  
Though hope is frail  
Its hard to kill  
Who knows what miracles  
You can achieve (You can achieve)  
When you believe somehow you will (Somehow you will)  
Somehow you will  
You will when you believe  
You will when you believe  
You will when you believe
