

50/50 Love

Anthony David

A lot of people tryna tell us that we won't make it
(We won't make it)
A lot of people tryna tell us that we can't win
(We can't win)
But a lot of people don't the way feel I about you
(The way I feel about you)
A lot of people don't know, that I'm all in
(I'm all in)

Don't you tell me about statistics
I don't wanna hear about the past
'Cause baby, you and I are the future
We got a love that's meant to last, we got a

Fifty-fifty love that we're givin'
Fifty-fifty love all the way
Fifty-fifty love that we're givin'
Hundred percent our love's gonna stay
Fifty-fifty love that we're givin'
Fifty-fifty love all the way
Fifty-fifty love that we're givin'
Hundred percent our love's gonna stay, for us always

My friends try to tell me I should look for another
(Try to look for another)
They try to tell that I should keep on searchin'
(You keep on searchin' but you can't find 'em)
They don't know that I have my one and only
(My one and only, ah)
I don't need to search to more 'cause I found him

I don't care about their opinions
I don't care about their views
Baby, you and I have something special
And there's nothin' that they can do, yeah

Fifty-fifty love that we're givin'
Fifty-fifty love all the way
Fifty-fifty love that we're givin'
Hundred percent our love's gonna stay
Fifty-fifty love that we're givin'
Fifty-fifty love all the way
Fifty-fifty love that we're givin'
Hundred percent our love's gonna stay, for us always, for us always

Don't you tell me about statistics
I don't wanna hear about the past
'Cause baby, you and I are the future
We got a love that's meant to last, ooh

Fifty-fifty love that we're givin'
Fifty-fifty love all the way
Fifty-fifty love that we're givin'
Hundred percent our love's gonna stay
Fifty-fifty love that we're givin'
Fifty-fifty love all the way
Fifty-fifty love that we're givin'

Hundred percent our love's gonna stay, for us always
Fifty-fifty love that we're givin'
Fifty-fifty love all the way
Fifty-fifty love that we're givin'
Hundred percent our love's gonna stay
Fifty-fifty love that we're givin'
Fifty-fifty love all the way
Fifty-fifty love that we're givin'
Hundred percent our love's gonna stay, for us always
