Control Freak

Anthony David

I like it private, she likes a crowd
I like it quiet, but she's so loud
I'm tryin' to make love, she likes it rough
She likes her freedom, I'm tryin' to cuff

Oh, I don't care 'bout what my friends say
But, I feel better when she gets her way

She's a control freak (freak), I know it (freak)
She knows it, oh (freak)
Let her control me (freak), I like it (freak)
She loves it, oh whoa (freak)

I try to chase her, she runs away (she runs away)
I'm tryin' to date her, she wants to play (wants to play)
I'm bringin' flowers, she don't see 'em (she don't see 'em)
Whoever she wants, I'm tryin' to be 'em (I'm tryin' to be 'em)

Oh, I don't care 'bout what my friends say
But, I feel better when she gets her way

She's a control freak (freak), I know it (freak)
She knows it, oh (freak)
Let her control me (freak), I like it (freak)
She loves it, oh whoa (freak)

She's so misunderstood (misunderstood)
She's so bad, but so good (but so good)
If I could save her, then I would (then I would)
I wouldn't change her if I could (oh, whoa)

She's a control freak (freak), I know it (freak)
She knows it, oh (freak)
Let her control me (freak), I like it (freak)
She loves it, oh whoa (freak)

Yeah control
Oh, ah, oh, yeah
