

Never Again

Anthony David

I woke up fine
Until you called me on my line
Was doin' perfect, doin' fine
Until your shit just blew my mind
Do we all look so blind
When in the Bible it was kind
The way you act should be a crime
The way you act should be a crime

(Shoo) Away from me (shoo)
(Shoo) 'Cause I can't stand your energy (shoo), so go, so go
(Shoo) Away from me (shoo)
(Shoo) Swear I can't stand your energy (shoo)

So never again (never again), no never again (no never again)
So never again (so never again, ohh)
Never again (never again), no never again (no never again)
So never again (so never again, oh)

I tried to stay away
But you goin' up out your way
Eventually we'd be okay
'Til the feelin's here's today
I say, that I would just let you be
You'd be better off without me
Then these faded memories come
Then these faded memories come

(It's you) You mean the world me (it's you)
(It's you) But you can't deny our chemistry (it's you)
(It's you) You mean the world me, yeah (it's you)
(It's you) And you can't deny our chemistry (it's you)
But you keep on tellin' me no

Never again (never again), no never again (no never again)
So never again (so never again, ohh)
Never again (never again), no never again (no never again)
So never again (so never again, oh)

Don't talk, don't speak
It's just, it seems
You can't, love me
Love me, love me (I'm swear I'm done with yo' ass)
Don't talk, don't speak
It's just, it seems
You can't, love me
Love me, love me (don't have me feelin' like a fool, oh)
Don't talk, don't speak
It's just, it seems (I'm swear I'm done with yo' ass)
You can't, love me
Love me, love me (don't have me feelin' like a fool, oh)
Don't talk, don't speak
It's just, it seems
You can't, love me
Love me, love me

(Shoo) Away from me (shoo)

(Shoo) So never again, yeah, yeah
(Shoo, shoo, shoo)
(Shoo, shoo, shoo)
(Shoo) Away from me (shoo, shoo)
Away from me, oh-ay
'Cause I can't stand your energy, so go, so go, go
