

# So Jaded

Anthony David

I'm so jaded, so jaded, so jaded  
I'm so jaded, it's too late, it's too late  
I promise I I will love you  
If I still had a heart

First time, first grade, first grind  
First kiss, first space first love  
First time I felt but I thought was love  
Back then I was not Left my poor heart on my scene  
She broke it and never still to beat  
I'm so jaded

I'm so jaded, so jaded, so jaded  
Yeah, I'm so jaded, it's too late, it's too late  
I promise I I will love you  
If I still had a heart

Next time I had a pair  
I'll pick the up ahead  
I'll never let love fool me again, no no no  
One weak moment I drop my guy  
Thought she was different and she felt so hard  
She got me deep and she got me with it's permanent scar  
yeah

I'm so jaded, so jaded, so jaded  
I'm so jaded, I hate it, I hate it  
I promise I I will love you  
If I still had a heart

You can consider this I disclaim her  
Put this closure remember I told you  
Think you can save me go ahead and try  
Tell me no lie  
You might be raised in time  
These are the rules if you use to play it  
It's complicated, uh it's complicated  
Yeah

SO jaded, so jaded, so jaded  
I'm so jaded, it's too late, it's too late  
I probably could have left you  
If I still had a heart  
I'm so jaded,  
I'm so jaded, so jaded, so jaded  
I'm so jaded, and I can't change it,  
I hate it, I hate it  
I promise I will love you  
If I still had a heart

Hey jaded, jaded, jaded
