

I believe that heaven must be like this
Ray of sunshine kissed upon your skin
Just say you love me, make my day go good
Pot of gold at the end of the rainbow

Can't tell you nothin' you ain't already heard
No matter what I say, it's nothin' but words
Just let me prove to you what I know is real
Let me express to you the way that I feel

I believe that love is synonymous
With heaven, such a sensual bliss
The way you touch me makes this life so good
A reward at the end of the long road

Can't tell you nothin' you ain't already heard
No matter what I say it's nothin' but words
Just let me prove to you what I know is real
Let me express to you the way that I feel

Fairy tales can be real if you just believe
Got my mind made, I don't plan to leave
'Cuz you were meant for me, simple that may be
Why be complex, lovin' you is so easy

Can't tell you nothin' you ain't already heard
No matter what I say it's nothin' but words
Just let me prove to you what I know is real
Let me express to you the way that I feel

Can't tell you nothin' you ain't already heard
No matter what I say it's nothin' but words
Just let me prove to you what I know is real
Let me express to you the way that I feel

Can't tell you nothin' I ain't already heard
No matter what I say it's nothin' but words
Just let me prove to you what I know is real
Let me express to you the way that I feel
