

Back to Life

Anthony Evans

I breathe out... confusion
I breathe in... Your truth
I breathe out... all my fear
I breathe in... Your peace

I breathe out... confusion
I breathe in... Your truth
I breathe out... all my fear
I breathe in... Your peace

And I... I'm coming back to life
I'm feeling hope arise
Because of You, only You
Jesus...
I, I'm leaving the rest behind
My heart is satisfied
Because of You, only You
Jesus!

I lay down... my weakness
I take arm... Your strength
I lay down... my defences
I set me to your victory

Oh I... I'm coming back to life
I'm feeling hope arise
Because of You, only You
Jesus...
I, I'm leaving the rest behind
My heart is satisfied
Because of You, only You
Jesus!
Oh I... I'm coming back to life
I'm feeling hope arise
Because of You, only You
Jesus

Depression
And all anxiety
They have no power over, me-ee-eee
Addiction
Stronghold
And every disease
They have no power over, me-ee-eee

Depression

And all anxiety
They have no power over, me-ee-eee

And every disease
They have no power over, me-ee-eee

I, I'm coming back to life
I'm feeling hope arise
Because of You, only You

I, I'm leaving the past behind
My heart is satisfied
Because of You, only You
Jesus

O-only You
