

Believe

Anthony Evans

The darkest day's before the dawn
It rains before the sunlight comes
Oh, just wait a while
Just wait a while
Hmmm . . .
The pain is deep
The pain is real
But You are here
And You can heal
O-oh, I'll pray a while
Hmmm . . .
Pray a while

I believe
That You will fight for me
You'll do what's right for me
I believe it
I believe it

Oh!

I know You
Can make the mountains move
So I can trust in you
I believe it
I believe it
