

# Consumed

Anthony Evans

What's my hearts condition  
Haunted by my decisions  
What's happened to me, I'm not who I wanted to be  
No sense of direction  
Where are my convictions  
More than anything I want freedom from these chains

Consume me with your fire  
Reveal and uncover  
Impurity in me  
Until your glory is seen  
Destroy the disguises  
Until my heart beats only for You  
I want to be consumed

Move me like only You can  
Break me until I'm your man  
More than ever before I want to be radically Yours  
Use my imperfections  
Fix my double vision  
Make me new I'm running and won't stop til you

Covered by grace  
Held captive by mercy  
I want them to look at me and only see you  
I want to be Consumed
