

Do It Again

Anthony Evans

Walking around these walls
I thought by now they'd fall
But You have never failed me yet
Waiting for change to come
Knowing the battle's won
For You have never failed me yet

Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You've never failed me yet

I know the night won't last
Your Word will come to pass
My heart will sing Your praise again
Jesus You're still enough
Keep me within Your love
My heart will sing Your praise again

Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You never failed

Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You never failed me yet

You have never failed me yet
I believe your promise
I'm still in your hands

I've seen You move, You move the mountains
And I believe, I'll see You do it again
You made a way, where there was no way
And I believe, I'll see You do it again

I've seen You move, You move the mountains
And I believe, I'll see You do it again
You made a way, where there was no way
And I believe, I'll see You do it again

I've seen You move, You move the mountains
And I believe, I'll see You do it again
You made a way, where there was no way
And I believe, I'll see You do it again

Oh you did it before
I'll see You do it again
I know you'll do it again

Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You never failed

Your promise still stands
Great is Your faithfulness, Your faithfulness
I'm still in Your hands
You are my confidence, You never failed me yet

And You never failed me yet
This is my confidence
You'll do it again
