

## Even If (Extended Version)

Anthony Evans

I'm being honest  
This the hardest  
The hardest song my heart will sing

My words are broken  
My dream is stolen  
How do I say what I don't mean

You don't owe me anything  
But in my darkness you still speak peace

So I lift my hands  
I'll sing again  
You're good to me  
You're good to me  
And as I wait  
I'll sing in faith  
You're good to me  
You're good me

Until my heart believes I won't stop singing  
You're good to me

I begged and prayed  
Day after day  
That you wouldn't let this be  
Stood at the waters  
They never parted  
Lord, were you even listening  
You don't owe me anything  
But in my darkness you still speak peace

I'll lift my hands  
I'll sing again  
You're good to me  
You're good to me  
And as I wait  
I'll sing in faith  
You're good to me  
You're good me

Until my heart believes I won't stop singing  
You're good to me

Even if the doctor tells me there's no medication to take away the pain I've  
begged you to  
Even if I have to wait for you mend the heartbreak I believe that every tear  
that falls you'll use  
Even if you never choose to take away the struggle, your grace will be enoug  
h to pull me through  
And even If the one who caused my hurt is never sorry, and I'll never hear t  
he words I'm longing to  
Even if it feels like everyone has turned against me and everything I though  
t I gained I lose  
Even if I never see it here this side of heaven and healing doesn't look the  
way I'd choose  
I'll still, I'll still praise you

I'll lift my hands  
I'll sing again  
You're good to me  
You're good to me  
And as I wait  
I'll sing in faith  
You're good to me  
So good me

I'll lift my hands  
I'll sing again  
You're good to me  
You're good to me  
And as I wait  
I'll sing in faith  
You're good to me  
So good me

Until my heart believes I won't stop singing  
Until my heart believes I won't stop singing  
Until my heart believes I won't stop singing  
Until my heart believes I won't stop singing  
Until my heart believes I won't stop singing  
And even if my heart can't find the reason  
You're good to me  
So good to me  
You're so good to me  
And the truth is you've always been, you always will be  
And the truth is you've always been and you will be forever good to me  
Forever good to me  
Forever good to me  
You'll never leave me, never forsake me  
You're forever good to me

So I wont stop signing  
I wont stop signing  
I know you're good to me

Good to me Jesus  
You've been good  
I have seen it over and over  
Never had to look over my shoulder  
Cause goodness and mercy were following me  
Goodness and mercy were following me  
I've seen it over and over  
Never had to look over my shoulder

Cause goodness and mercy were following me  
Your goodness and mercy were following me  
Your goodness  
Your goodness and mercy were following me  
Your kindness  
Your goodness and mercy were following me  
You are always always on my side  
Your goodness and mercy were following me  
Your goodness and mercy were following me  
That's the kind of God you are  
Your goodness and mercy were following me  
Your goodness and mercy were following me

I have seen it over and over  
Your goodness and mercy were following me

Never had to look over my shoulder  
Your goodness and mercy were following me  
Following me  
Your goodness and mercy were following me  
You've never been to far  
Your goodness and mercy were following me  
You've never stop, never stop following me  
Your goodness and mercy were following me  
Following me  
Your goodness and mercy were following me  
Following me  
Following me  
Following me  
Following me  
Over and over  
You never back up  
Following me  
You never back down  
Following me  
You never back up  
Following me  
You are following me

Your goodness and mercy were following me  
Your goodness and mercy were following me  
Your goodness and mercy were following me  
Your goodness and mercy were following me
