

# Facing the Sun

Anthony Evans

I've lived in the dark  
Protectin' my heart  
Not lettin' anyone in  
But somethin' inside  
Is sayin' you shouldn't hide  
It's time to let it begin

I've decided to show  
The cracks in my soul  
To turn it all inside out  
I might have to fight  
To get to the light  
But I'm finally turnin' around

I'm facin' the sun  
I'm not gonna run away  
No apologies  
Walk out on the wire  
Step into the fire  
I'm livin' honestly  
Even if it burns  
I'm facing the sun

Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Whoa, I'm facin' the sun  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh

When I broke through the walls  
When it started to fall  
I was afraid of the changes  
Oh, but I caught a glimpse  
Of the freedom within  
Took the fear away to stand up and face it

I've decided to show  
The cracks in my soul  
To turn it all inside out  
I might have to fight  
To get to the light  
But I'm finally turnin' around

I'm facin' the sun  
I'm not gonna run away  
No apologies  
Walk out on the wire  
Step into the fire  
I'm livin' honestly  
Even if it burns  
I'm facing the sun

Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh

I'm facin' the sun  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh

The light, it's revealin'  
It's healin'  
Everywhere it shines  
It uncovers, you'll discover  
The darkness was a light  
So open up your eyes

Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Open up your eyes

I'm facin' the sun  
I'm not gonna run away  
No apologies  
Walk out on the wire  
Step into the fire  
I'm livin' honestly  
Even if it burns  
I'm facing the sun

Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
I'm facin' the sun  
(I'm not gonna run away, no)  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh

I'm facin' the sun
