

Firm Foundation + Gratitude

Anthony Evans

Christ is my firm foundation
The rock on which I stand
When everything around me is shaken
I've never been more glad
That I put my faith in Jesus
'Cause He's never let me down
He's faithful through generations
So why would He fail now?

He won't
No, He won't
He won't
No, He won't

I've still got joy in chaos
I've got peace that makes no sense
I won't be going under
I'm not held by my own strength
'Cause I've built my life on Jesus
And He's never let me down
He's faithful through every season
So why would He fail now?

He won't
I believe
He won't
Know that He won't
Know my God won't fail

He won't
He won't
He won't
He won't fail

Rain came, wind blew
My house was built on You
And I'm safe with You
I'm gonna make it through

Rain came, wind blew
My house was built on You
I'm safe with You
I'm gonna make it through

Rain came, wind blew
My house was built on You
I'm safe with You
I'm gonna make it through

Rain came, wind blew
My house was built on You
I'm safe with You
I'm gonna make it through

With you on my side
You will never leave me
Never forsake me

Cause my house is built on you
I'm gonna make it through

So I throw up my hands
And praise You again and again
All that I have is a hallelujah
Hallelujah
And I know it's not much
But I've nothing else fit for a King
All I have is a hallelujah
Hallelujah

To the king of all kings
We sing Hallelujah
We sing Hallelujah
To the Lord of Lords
We sing Hallelujah

Come on, my soul
Oh, don't you get shy on me
Lift up your song
'Cause you've got a lion inside of those lungs
Get up and praise the Lord

Come on, my soul
Don't you get shy on me
Lift up your song
'Cause you've got a lion inside of those lungs
So praise the Lord

Come on, my soul
Don't you get shy on me
Lift up your voice
'Cause you've got a lion inside of those lungs
Get up and praise the Lord

Come on, my soul
Oh, don't you get shy on me
Lift up your song
'Cause you've got a lion inside of those lungs
Get up and praise the Lord

So I throw up my hands
And praise You again and again
Cause all that I have is a hallelujah
Hallelujah
