

He Is

Anthony Evans

All my friends and family
Gathered around singing cheerfully
Everywhere I look I see
It's Christmas
It's Christmas

See the lights shining all around
Oh, the snow is coming down
Everybody's talkin' 'bout
This Christmas
This Christmas

Let's not forget the reason
Of the gift we're receiving

He is the reason
We celebrate
This is the season
Jesus was born to save

We believe and we'll proclaim
Forever giving praise

He Is
The reason we celebrate
He Is
The reason that we celebrate

Remember when we could hardly sleep
Running down, gotta check the tree
How many presents did he leave for me
This Christmas
This Christmas

I never will forget
The greatest gift will ever be

He Is
The reason we celebrate
This is the season
Jesus was born to save

We believe and we'll proclaim
Forever giving praise

He Is
The reason we celebrate

He Is
He Is
He Is

He Is
He Is
He Is

Alpha, Omega, Our Healer, Our Savior

Provider, Way maker, He is King of Kings
The Beginning and the End
Wonderful Savior

He Is
He Is
He Is

The reason we smile
The reason we sing
He Is
My joy
My peace
He Is
